Fig. S1

A

![Graph A: Incorporation rate distribution](image)

B

![Graph B: Log2 ratio distribution](image)

- **A**: Graph showing incorporation rate distribution with different peptide types.
  - **all peptides**: 98.6%
  - **arginine peptides**: 98.5%
  - **lysine peptides**: 98.1%

- **B**: Graph showing log2 ratio distribution.

- **N** = 24959
